

Date: 05/08/2024

Notification

Altogether 54 proposals were received under “Chellaram Diabetes Research Centre’s (CDRC) 3rd Call for Proposal Innovation Grant 2024 and Special Call for Proposal 2024.

A total of 13 proposals are recommended for the submission of detailed proposal based on the review, assessment and scoring by the expert members for its scientific merit, novelty, translational potential and immediacy. The decision was made on combination of scores on each proposal given by the committee members.

The full proposals can be submitted online at

[Grantee Portal Link](#)

The last date of full proposal submission – 20th September, 2024.

Dr. Unnikrishnan AG
Director
CDRC, Pune
